Economy met with immediate and immense success. The first tale was published in February, 1832, and Harriet Martineau became famous at once.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Bind her, grind her, burn her
with fire, Cast her ashes into
the sea, - She shall escape,
she shall aspire, She shall
arise to make men free; She
shall arise in a sacred scorn,
Lighting the lives that are
yet unborn, Spirit supernal,
splendor eternal, England!
